(a) The Director has breached or failed to perform the duties of his or her office under Subchapter B of Chapter 57 of the Act; and

(b) The breach or failure to perform constitutes self-dealing, willful misconduct, or recklessness.

This Section shall not apply to the responsibility or liability of a Director pursuant to any criminal statute, or the liability of a Director for the payment of taxes pursuant to federal, state, or local law. Any repeal or amendment of this Section shall be prospective only and shall not increase, but may decrease, a Director’s liability with respect to actions or failures to act occurring prior to such change.

**Section 2. Insurance.** The Association may purchase and maintain insurance on behalf of any person who is or was a Director or officer of the Association or is or was serving at the request of the Association as a director or officer of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise against any
liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against that liability under the Act. The Association’s payment of premiums with respect to such insurance coverage shall be provided primarily for the benefit of the Association. To the extent that such insurance coverage provides a benefit to the insured person, the Association’s payment of premiums with respect to such insurance shall be provided in exchange for the services rendered by the insured person and in a manner so as not to constitute an excess benefit transaction under section 4958 of the Internal Revenue Code of 1986, as amended (the “Code”).

Section 3. Third-Party Actions. The Association shall indemnify any Director or officer who was or is a party or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that he or she is or was a Director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys’ fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action or proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 4. Derivative and Corporate Actions. The Association shall indemnify any Director or officer who was or is a party or is threatened to be made a party to any threatened, pending or completed action by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a Director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys’ fees) actually and reasonably incurred by him or her in connection with the defense or settlement of the action if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association. Indemnification shall not be made under this Section in respect of any claim, issue or matter as to which the person has been adjudged to be liable to the Association unless and only to the extent that the court of common pleas of the judicial district embracing the county in which the registered office of the Association is located or the court in which the action was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that the court of common pleas or other court shall deem proper.

Section 5. Procedure for Effecting Indemnification. Unless ordered by a court, any indemnification under this Article shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director or officer is proper in the
circumstances because he or she has met the applicable standard of conduct set forth in those Sections. The determination shall be made:

(a) By the Board by a majority vote of a quorum consisting of Directors who were not parties to the action or proceeding; or

(b) If such a quorum is not obtainable or if obtainable and a majority vote of a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion.

Section 6. Advancing Expenses. The Association shall pay expenses (including attorneys’ fees) incurred in defending any action or proceeding referred to herein in advance of the final disposition of the action or proceeding upon receipt of any undertaking by or on behalf of the Director or officer to repay the amount if it is ultimately determined that he or she is not entitled to be indemnified by the Association as authorized in this Article or otherwise.

Section 7. Supplementary Coverage. The indemnification and advancement of expenses provided by or granted pursuant to this Article shall not be deemed exclusive of any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Act, or any bylaw, agreement, vote of disinterested Directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding that office. Article 8 (relating to conflicts of interest) shall be applicable to any bylaw, contract, or transaction authorized by the Directors under this Section. However, no indemnification may be made by the Association under this Article or otherwise to or on behalf of any person to the extent that:

(a) The act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted self-dealing, willful misconduct, or recklessness; or

(b) The Board determines that under the circumstances indemnification would constitute an excess benefit transaction under Code Section 4958.

Section 8. Duration and Extent of Coverage. The indemnification and advancement of expenses provided by or granted pursuant to this Article shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a Director or officer of the Association and shall inure to the benefit of the heirs and personal representatives of that person.

Section 9. Reliance and Modification. Each person who shall act as a Director or officer of the Association shall be deemed to be doing so in reliance upon the rights provided by this Article. The duties of the Association to indemnify and to advance expenses to a representative provided in this Article shall be in the nature of a contract between the Association and the Director or officer. No amendment or repeal of any provision of this Article shall alter, to the detriment of the Director or officer, his or her right to the advance of expenses or indemnification related to a claim based on an act or failure to act which took place prior to such amendment or repeal.
ARTICLE IX
COMPENSATION

Section 1. Reasonable Compensation. It is the policy of the Association to pay no more than reasonable compensation for personal services rendered to the Association by officers and employees. The Directors of the Board of the Association shall not receive compensation for fulfilling their duties as Directors, although Directors of the Board may be reimbursed for actual out-of-pocket expenses which they incur in order to fulfill their duties as Directors. Expenses of spouses will not be reimbursed by the Association unless the expenses are necessary to achieve an Association purpose.

Section 2. Approval of Compensation. The Board of Directors must approve in advance the amount of all compensation for officers of the Association.

Before approving the compensation of an officer, the Board shall determine that the total compensation to be provided by the Association to the officer is reasonable in amount in light of the position, responsibility and qualification of the officer for the position held, including the result of an evaluation of the officer’s prior performance for the Association, if applicable. In making the determination, the Board shall consider total compensation to include the salary and the value of all benefits provided by the Association to the individual in payment for services. At the time of the discussion and decision concerning an officer’s compensation, the officer should not be present in the meeting. The Board shall obtain and consider appropriate data concerning comparable compensation paid to similar officers in like circumstances.

The Board shall set forth the basis for its decisions with respect to compensation in the minutes of the meeting at which the decisions are made, including the conclusions of the evaluation and the basis for determining that the individual’s compensation was reasonable in light of the evaluation and the comparability data.

ARTICLE X
CONFLICTS OF INTEREST

Section 1. Definition of Conflicts of Interest. A conflict of interest will be deemed to exist whenever an individual is in the position to approve or influence Association policies or actions which involve or could ultimately harm or benefit financially: (a) the individual; (b) any family member (spouse, domestic partner, grandparents, parents, children, grandchildren, great grandchildren, brothers or sisters (whether whole or half-blood), and spouses of these individuals); or (c) any organization in which he or a family member is a director, trustee, officer, member, partner or more than 10% of the total (combined) voting power. Service on the board of another not-for-profit corporation does not constitute a conflict of interest.

Section 2. Disclosure of Conflicts of Interest. A Director or officer shall disclose a conflict of interest: (a) prior to voting on or otherwise discharging his duties with respect to any matter involving the conflict which comes before the Board or any committee; (b) prior to entering into any contract or transaction involving the conflict; (c) as soon as possible after the Director or officer learns of the conflict; and (d) on the annual conflict of interest disclosure form.
The Secretary of the Association shall distribute annually to all Directors, officers and key employees (as identified by the Association), a form soliciting the disclosure of all conflicts of interest, including specific information concerning the terms of any contract or transaction with the Association and whether the process for approval set forth in this policy was used. Such disclosure form may require disclosure of other relationships that may not constitute an actual conflict of interest, but which are required to be disclosed in order for the Association to comply with its annual reporting requirements.

Section 3. Approval of Contracts and Transactions Involving Potential Conflicts of Interest. A Director or officer who has or learns about a potential conflict of interest should disclose promptly to the Secretary of the Association the material facts surrounding any potential conflict of interest, including specific information concerning the terms of any contract or transaction with the Association. All effort should be made to disclose any such contract or transaction and have it approved by the Board before the arrangement is entered into.

Following receipt of information concerning a contract or transaction involving a potential conflict of interest, the Board shall consider the material facts concerning the proposed contract or transaction, including the process by which the decision was made to recommend entering into the arrangement on the terms proposed. The Board shall approve only those contracts or transactions in which the terms are fair and reasonable to the Association and the arrangements are consistent with the best interests of the Association. Fairness includes, but is not limited to, the concepts that the Association should pay no more than fair market value for any goods or services which the Association receives and that the Association should receive fair market value consideration for any goods or services that it furnishes others. The Board shall set forth the basis for its decision with respect to approval of contracts or transactions involving conflicts of interest in the minutes of the meeting at which the decision is made, including the basis for determining that the consideration to be paid is fair to the Association.

Section 4. Validity of Actions. No contract or other transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, firm, association or other entity in which one or more of its Directors or officers are directors or officers, or have a substantial financial interest, shall be either void or voidable for this reason alone or by reason alone that such Director or Directors or officer or officers are present at the meeting of the Board of Directors, or of a committee thereof, which authorizes such contract or transaction, or that his or their votes are counted for such purpose, if the material facts as to such Director’s or officer’s interest in such contract or transaction and as to any such common directorship, officership or financial interest are disclosed in good faith or known to the Board or committee, and the Board or committee authorizes such contract or transaction by a vote sufficient for such purpose without counting the vote or votes of such interested Director or officers. Common or interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or committee which authorizes such contract or transaction. At the time of the discussion and decision concerning the authorization of such contract or transaction, the interested Director or officer should not be present at the meeting.

Section 5. Employee Conflicts of Interest. An employee of the Association with a potential conflict of interest in a particular matter shall promptly and fully disclose the potential
conflict to his supervisor. The employee shall thereafter refrain from participating in deliberations and discussion, as well as any decisions, relating to the matter and follow the direction of the supervisor as to how the Association decisions which are the subject of the conflict will be determined. The President shall be responsible for determining the proper way for the Association to handle Association decisions which involve unresolved employee conflicts of interest. In making such determinations, the President may consult with legal counsel.

The President shall report to the Board at least annually concerning employee conflicts of interest which have been disclosed and contracts and transactions involving employee conflicts which the President has approved.

ARTICLE XI
AMENDMENTS

Amendments to these Bylaws shall be made by a two-thirds (2/3) affirmative vote of the entire Board of Directors.
